SPBG VENUE ACCESS & LOADING

ACCESS TIME: After 10:00am

LOAD IN:

Loading dock via Hanlan St, access via BWS driveaway.

This is a shared loading dock for the Shopping Centre so all vans and trucks must be moved out of the loading dock once you have unloaded.

Elevator to 1st Level – 20 meter push to elevator to 2nd level – 20 meter push to stage area.

PARKING:

Street parking & public carpark (Centro Shopping Centre). Please note that the carpark has height restrictions – there is general street parking in the surrounding area.

SOUND CHECK:

Sound check times are for the one hour prior to doors open and must be completed in the allocated time frame as the room is active.

SET TIMES:

Set times must be negotiated with the entertainment manager during contract negotiations.

LOAD OUT:

Stage pack down after performance – load out after 3:00am only.
